Note:

1. You have to make sure to use radio call every hour
2. We advise Adventist singers and conservative music (This is for the Hispanic community).
3. Sermons or seminars no more than 30 minutes. In this particular program we use 15 min longest reflection or devotional.
4. You can record programs at the beginning.
5. There is radio software to put the music and sermons together, and then to leave it run alone. But you can also use iTunes.
6. You can go online using: www.mixlr.com
